

The below list is a proposal to the SCEC Operations and Technology committee. The intent of this document is to identify precincts for consideration for consolidation. The consolidation of these 39 precincts will result in:

Reducing 220 precincts to 181 total

Those precincts listed at the top of this list are included for consideration of renaming the precinct. The current naming convention for these precincts identifies the precincts as County rather than properly identifying them as Memphis city precincts.

Rename List:
